

ABOUT THE ROLE

We are looking for a Working student to support our Data Management Specialist based in our **Zagreb office** for at least 2 semesters, 10 hours per week. Our Data Management Department is responsible for

- Overall data management and collection from different systems (ERP, PIM) to enable data reporting
- Creating dashboards that will ensure visualization of data reports (e.g., Power BI tool)
- Maintenance of Product information system and supporting Product Marketing activities.

YOUR PROFILE

You are a student in the field of mathematics, economics, statistics, IT or similar and are keen to learn more about product data and information flow in the company.

You will support our Data Management Specialist in Product information maintenance for Product Marketing purposes for at least 10 hours a week.

WordPress experience is desirable but not a requirement.

Start: As soon as possible

Job location: Zagreb, Branimirova 71a

Deadline for application: 16.3.2022.

If you are interested in applying to this position, please upload your CV to

ABOUT US

FRAMOS® is an imaging expert, trusted advisor, and vision solutions provider. Since 1981 FRAMOS implements the best current and emerging imaging technologies for specific customer requirements and applications. FRAMOS meets these requirements with advanced and proven imaging components from a global network of renowned partners, and proprietary IP.

More than 180 FRAMOS employees world-wide are passionate about the unlimited potential of imaging and help customers achieve the optimum results from every possible scenario. FRAMOS drives and ensures the entire product development journey. This journey starts with the careful selection of imaging components, like image sensors, lenses, through various 3D technologies, to custom development tailored to individual needs and time frames. FRAMOS listens and understands customer challenges. With innovative solutions FRAMOS ensures successful project outcomes and develops long-term customer relations.

OUR CORE VALUES:

PASSION

We strive to be the best at everything we do.

We want to learn something new every day.

We listen, reflect and understand.

We go the extra mile.

INNOVATION

We constantly improve.

We are comfortable proposing unconventional solutions.

We develop ourselves personally and professionally.

TEAM SPIRIT

We take care of each other.

We give and accept help.

We give feedback only on behaviour not on people.

FAIL FORWARD

We try, fail, learn and apply.

CUSTOMER 1ST

We are passionate about putting our customers at the center of everything we do.

We value internal customers just as much as external ones.
