## Junior Associate in Pricing & Portfolio Management

MET Group is a European energy company. Headquartered in Switzerland, MET is an active participant in the European natural gas and power markets. The Group is present in 13 countries through subsidiaries, 27 national gas markets and 22 international trading hubs. Our 700+ employees come from 32 different countries, therefore we are highly committed in providing support to communities through social investments and charity programs.

From 2013, MET Group is present in Croatia via its subsidiary MET Croatia Energy Trade Ltd. Company is active both in gas and electricity trading and supply of end customers. In both of these MET Croatia is within Top 5 market players, with a high ambition for further growth. This ambition is supported by our strategic investments, such as booking of long term capacities on LNG terminal on Krk and storage capacities at underground gas storage Okoli.

In our dynamic team creative and original ideas are always appreciated and innovations are part of the daily routine. We value intellectual horsepower and people who demonstrate proactivity, independency and can-do attitude in complex situations. If you find yourself in these values, we invite you to apply for the position and join us!
