

Join our team in Philip Morris Zagreb as an Intern in Commercial Intelligence Department

Be a part of a revolutionary change

You'll be collaborating on projects that really matter and helping us to explore completely new territory. As you take your first professional steps, you'll have the backing and brainpower of a multinational business behind you, but with the freedom you'd normally find in a start-up. It's the perfect start to your professional development.

Join us as an **Intern in Commercial Intelligence Department** and you will have the opportunity to gain an overall understanding of use of data analytics and visualization techniques and technologies in transforming data into insights that drive business value. There's something new to learn every single day: changes to integrate and challenges to conquer.

About the Internship in Commercial Intelligence Department

- **Duration of internship: 6 months, full-time (Monday – Friday), fully paid**
- You will be supporting our Commercial Intelligence team by:
 - Driving data processing from diverse sources by cleaning and transforming them into meaningful information.
 - Supporting the business by proactively seeking information and feedback from all relevant sources to ensure appropriate data is collected, sound analysis is performed, and reports are available and accessible.
 - Supporting the department goal in positioning PowerBI as a true one stop shop for all relevant business data.
 - Monitoring and maintaining our global systems.
 - Maintaining and upgrading business intelligence Reports and Dashboards.

Who we're looking for

- (Pre-) Final year student in Economics, Mathematics, or related field
- Excellent communication skills in English and Croatian
- Good collaborations skills – you will have an opportunity to collaborate with numerous departments
- Attention to details
- Analytical mindset with love for numbers
- Ability to learn on the go
- Proactive mindset
- Excellent knowledge of Excel (you will be using it daily)
- Experience with/knowledge of Power BI will be considered a plus

What we offer

Our success depends on the men and women who come to work every day with a sense of purpose and an appetite for progress. Join PMI as an Intern in Commercial Intelligence Department and you too can:

- Seize the freedom to shape your future and ours. We'll empower you to take risks, experiment and explore.
- Be part of an inclusive, diverse culture, where everyone's contribution is respected; collaborate with some of the world's best people and feel like you belong.
- Pursue your ambitions and develop your skills with a global business –our staggering size and scale provides endless opportunities to progress.

PHILIP MORRIS
ZAGREB D.O.O.
